☐ Proposed Amendment or Arguments Attached

Brief Description of Arguments to be Presented:

Applicants would like to discuss in detail the claim language "performing on the ingot at least one hot rolling pass in order to obtain a flat product, a final of the hot-rolling passes being carried out between 900 and 1030°C and not being followed by any quenching operation" as well as the obviousness motivation.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
